

Bible Reading Plan 2026

For thousands of years, God's people have used the Bible as a primary means for worshiping and communing with God. However, not all of the books of the Bible have always been as accessible as they are today. Plus, we now have all kinds of helpful apps, commentaries, and summaries to help us gain further insights and perspectives on the text. We even have resources that can read the Bible to us and break down what it means. A practical way to grow as a disciple of Christ is to read the Bible daily and take advantage of these great resources.

If you need some help digesting what you are reading, here are some questions to consider:

1. What does this Bible chapter/passage teach me about God?
2. What does this Bible chapter/passage teach me about myself or people in general?
3. How is God leading me to apply what I have learned in this passage? Is it through making a change, taking up a new practice, reaching out to someone, etc.?
4. What does this passage inspire me to talk to God about as I pray to him?
